

## Green Sunday

**Green Sunday** – A mega tree plantation drive was conducted by **CDSIMER – A unit of DSU** under the aegis of **Adamyia Chethana Foundation** on **Sunday the 19<sup>th</sup> June 2022**. The programme initially begun in G-Block, Lecture Hall-1.

The gathering mainly had about 120 CDSIMER students along with 70 volunteers from Adamyia Chethana.

The Vice Principal, Dr. Prashanth Kumar M welcomed the guests and spoke briefly about the importance of Environmental Health. Chief guest **Dr. Tejaswini Ananth Kumar** addressed the gathering and briefed about the origins of the NGO which she had made along with her late husband **Sri Ananth Kumar** back in the year 1998. She also appreciated the efforts of the volunteers who had been planting tree saplings on every Sunday for the last 358 weeks.

She thanked the Institution for giving this opportunity of spreading awareness about the environment and importance of trees in maintaining the life cycles of all beings.

All the participants then moved on to the open areas of the campus where prior preparations had been made. 250 saplings were planted in a planned and systematic manner. Both NGO and the Institution pledged to have many such collaborations in the future.

Refreshments were provided to the volunteers and the programme concluded in a very positive green note.
