

# BLOOD CENTRE

**Blood Centre CSIMER** was part of the National mega blood donation drive on **September 17<sup>th</sup> 2022** under the National Health Ministry. Our blood centre was registered as one among the participants entering real time donor data in ERaktkosh – The central blood management system. Students, biomedical staff, admin staff, billing and lab technicians, allied faculty actively participated by coming forward to donate.

Number of collections on the day: 41 (FORTY ONE)

Deferrals : 6

Certificates & refreshments were given along with a gift of appreciation to the donors.

The camp was uneventful.
