MESSAGE FROM EDITOR

It gives us immense pleasure to come out with our Third edition of Newsletter. This time focus is on BONE BANK a facility necessary for Advanced Trauma and Orthopedic care. It will be part of larger TISSUE BANK with multiplicity domains. Along with this some interesting cases managed in department like pseudarthrosis tibia and a classic case of GOUT are been summarized.

We wish a warm welcome to everyone for our "NATIONAL BONE AND JOINT DAY" organized by our department on second consecutive year at CDSIMER on 4-8-2022.
