	8	14.03.2024	<p>OSCE WORKSHOP- Medical Education Unit (MEU) of CDSIMER organized a one-day workshop on Objective Structured Clinical Examination (OSCE), on 14-03-2024 between 9 to 4 p.m. The program started with a welcome address by Dr John Stephen, Professor and Head, Department of Dermatology & MEU Coordinator who introduced the participants to objectives of the program, schedule and explained the importance of OSCE in medical education and assessment. This was followed by a session on Understanding OSCE by Dr Vijaya Mysorekar, Professor of Pathology, the next session included Principles of Assessment by Dr John Stephen. Post tea break, a session on Writing station instructions was covered by Dr Veena C N, Professor of Physiology. Post lunch session included hands on training in setting up & presentation of OSCE station by participants. The program concluded with recap and vote of thanks proposed by MEU coordinator. Feedback was also obtained from 31 participants who attended the workshop. Majority of them appreciated the interactive nature of the sessions as they had an opportunity to engage in discussions and activities which made the learning experience more dynamic.</p>
